U.S.A. vs. Christopher James Prince

Docket No. 5:07-CR-272-1BO

Petition for Action on Supervised Release

COMES NOW Scott Plaster, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Christopher James Prince, who, upon an earlier plea of guilty to Possession of a Firearm by a Convicted Felon, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on May 28, 2008, to the custody of the Bureau of Prisons for a term of 72 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 60 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall participate in a program of mental health treatment, as directed by the probation office.

Christopher James Prince was released from custody on November 30, 2012, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On September 20, 2013, the defendant reported to the probation office and submitted a drug screen that returned positive for the use of cocaine. The defendant denied using cocaine, and the sample was sent to the laboratory for confirmation testing. The result of the confirmation test also yielded a positive result for cocaine use. During a subsequent interview with the defendant, he stated he attended a party where he had too much to drink, but he does not remember using cocaine. As a result of the positive test, the defendant was placed in the Surprise Urinalysis Program for a second time. Additionally, the defendant has agreed to complete a two-day period of intermittent confinement as directed by the Bureau of Prisons, as well as the inclusion of the DROPS Program as a means of addressing any drug use in the future. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.
